Ypsilanti High School
Ypsilanti, Michigan

The Y. H. S. Yearbook is sponsored by the Ypsilanti High School Student Council.

*Y*esterday's first yearbook, the Ypsi Dixit, recorded the activities in Y. H. S. beginning with the school year of 1898-99 through 1932. A senior year-book was then published yearly through 1959 giving special emphasis on activities of seniors. The Y. H. S. Yearbook, beginning with this edition, is now an all-school yearbook which records the activities of all the school.

*H*opes of students, administrators, teachers, and friends of education have finally been realized. Overcrowded conditions in our high school have been done away with. Ypsilanti High School is now a three-year senior high school. The Junior division which included grades 7, 8, and 9 have been transferred to the two new junior high schools.

To *S*ucceed is the aim of students, administrators and faculty. In scholastic standing, sports, music, debate, dramatics, and other extra-curricular activities, Ypsilanti High School students have had a good measure of success. The administrators and faculty, through their combined efforts, have done much toward this success. As you look through the pages of this yearbook you will see how "Yesterday's Hopes Succeed."

Y.H.S. Student Association

We Dedicate This Book to You

We dedicate our 1960 Y. H. S. Yearbook to the Ypsilanti High School Student Association, for it is through their support and efforts that "Yesterday's Hopes Succeed." The association has made possible our Student Council, Athletic Teams, Clubs, and all other student activities. It is only through the cooperation of the association that this yearbook is possible. We are convinced that the future of Ypsilanti High School will be bright, for it is in the hands of an association with high hopes and ideals.

Administration and Faculty

Mr. Norris G. Wiltse, Principal of Ypsilanti High School introduced Dr. Paul Emerich, the new superintendent, to the students.

The administrators and faculty of the Ypsilanti High School offer leadership, guidance and encouragement to all students. It is their aim to provide the best possible educational opportunities which help assure success in life.

Responsibility Rests With Them

Dr. Paul Emerich,
Superintendent

The responsibility of maintaining adequate educational facilities, a competent staff of teachers, and an up to standard curriculum rests with the Board of Education. Planning for the educational needs of boys and girls in Ypsilanti takes a great deal of time and effort. The board serves without pay: there reward is the satisfaction which comes from the knowledge of a job well done. During the present school year two new junior high schools have been completed and work has been done to improve the high school building. Under the leadership of the new superintendent, Dr. Emerich, plans are being made to insure good education for students of the Ypsilanti Public Schools.

High Standards Are Upheld

Norris G. Wiltse, Principal

Under the able leadership of Mr. Norris G. Wiltse, Ypsilanti High School has maintained high academic standards for several years. He has insisted on a well balanced program for all the students of the high school.

Mr. Wiltse has served on many committees of the North Central Association of Schools and Colleges. This association promotes high standards for education.

As principal of Ypsi High, Mr. Wiltse has a warm smile for the new as well as old students.

Mr. Hodley Cox, Assistant Principal

Mr. Cox, the new assistant principal, assumed his new duties in September of this school year, 1959-1960. Previously he was a teacher in the Social Studies Department in this school.

Mr. Cox has been busily engaged in tending to the details of organization which makes Ypsilanti High School a smooth running school.

Senior Class

Officers of the Senior Class (Seated)- President, Ken Mirer; Secretary, Merry Montonye. (Standing) Vice President, Fred Greenway; Senior Advisor, Mr. Randall; Treasurer, Barbara Borton.

Since September of 1947 probably every student hoped to become a senior. The years went by slowly at first, but the last few years of school passed rapidly. Finally they became seniors and members of the largest class to graduate from Ypsilanti High School and the first class to graduate under the new three year high school organization. They have succeeded in numerous things during their high school years, bringing forth many intelligent students, many capable athletes, and many leaders in other school activities.

Junior Class

Standing - John Weston, vice-president; Olivia Sample, treasure; Mr. Hodley Cox, advisor.
Seated - Tom Matevia, president; Nancy Barnum, secretary.

The Juniors are hoping for the day when they will be Seniors of Ypsilanti High School. During the school year they have given more serious thought to their future than any other time in their school life. However the Juniors have entered whole heartedly into all the activities of the school. Three officers of the Student Council, are members of the class of "61." Along with the seniors, the juniors helped sponsor the Sophomore Reception, and the Senior Farewell was presented with the aid of the Sophomores. The success of the J. Hop can be credited to this class of 1961. The Juniors are rightfully proud of their class because of its accomplishment.

Sophomore Class

Officers of the Sophomore Class (Seated)- Mr. Dusbiber, Advisor; Secretary, Phyllis Baker; Vice-President, Jim Adams; (Standing) President, Dan Matevia; Treasurer, Connie Guilloz.

The Sophomore class has much of which to be proud. This class was not only classified as the largest in the senior high school, but many of its students ranked high in sports and other extra-curricular activities. Several of the sophomore boys have made varsity squads and the girls have done very well in interclass sports. The class will also be the first class to completely go through the senior high school under the new organization.

Sophomores were honored guests at the "Caribbean Cruise" one of the big social events of the year, which was sponsored by the juniors and seniors.

Phyllis looks exactly like a \$50 per hour model in this skirt and sweater while posing for the Sem's Christmas edition.

Well, "Joe-college," Bruce models a hat, top-coat, and a real stylish umbrella.

Here is the real snazzy color-guard of the D.B.C.

What can you see through that little hole, Nancy?

Bruce has to have a sample of all the things that the Student Council passes out.

So this is biology class! Do you smile like that when test day comes?

Every year the J.C.L. almost sets the school on fire with their initiation.

Barbara very proudly displays the purse, and models the shoes to match.

Student Life

Cake making occupied some senior boys in the cafeteria one noon. Left overs were used in making this delightful concoction!

Student life in Ypsilanti High School includes a variety of experiences in extra-curricular activities as well as curricular activities. These include parades, dances, athletic contests, concerts, assemblies, pep rallies, and class projects and field trips.

Students find fun in a variety of exciting experiences in our school.

Floats Add Zest To Parade

"From the Frying Pan, Into the Fire" was the theme of the Senior float, which won first place. Gloria Johnson is in the pan, while Jim Ardis and Jim Tye kindle the fire.

The Junior float, "Braves Ride the Rails," won second place, as the Ypsi Express rolled over the Railsplitters.

The Sophomores were awarded third place, with "Beat-Neck." Bobby England is beating out a winning rhythm on the bongo drums.

Music And Cheers Raised Our Spirits

Joining the festive occasion was the A Capella Choir.

They sang along with glee.

Scottish color was added by the bagpipers.

Loud and clear rang the sounds of music.

Pepping-it-up for the Braves was their one desire.

Victory, Victory, That's Our Cry!

PEP RALLIES

3. Janet Wright and Sandy Perry danced in calypso style.
4. F. T. A. sponsored the "Pajama Game"!
5. Our cheerleaders were always pepping it up.
6. Maggie Steele added the Hawaiian Swing.

Activities And Classes Can Be Fun

1. What makes an engine tick? This is the question!
2. The all-school play was not all work; there was some fun.
3. Noon rehearsals were necessary for the choir members.
4. This engine was examined by the P. & T. class.
5. Mr. Roe explained how this projector runs.

- 2 No dance would be complete without the Ypsi aires!
- 3 Do you study in the library too?
- 4 He does make a splendid model, doesn't he?

- 5 Pledges are made at the Thespian initiation.
- 6 The fast dancers of the years, or is it the Arthur Murray Studio?
- 7 First time you've seen these two together?
- 8 Come on Tommy, swim hard and fast; you can beat 'em!

Clubs and Organizations

Varied, school sponsored, extra-curricular activities presented students opportunities to learn while associating with teachers and schoolmates in an informal atmosphere. There is a Y.H.S. club to capture the interest of nearly every student. Aspirants in the field of speech and dramatics exercised their talents in speech contests and school plays; future journalists gained experience through work on the "Sem" and "YHS Yearbook;" memberships in The National Honor Society; Quill and Scroll and The National Thespian Society honored especially proficient individuals. Student Council, language clubs, Bible Club, Future Teachers, Model United Nations, Future Homemakers, Jets Club, and Varsity Club complete the list of organizations pictured and briefly explained in the activities section of your "YHS Yearbook" for 1960.

And Sponsored Various Activities

Student Council members are chosen each spring in an all school election. It is their duty to represent the students when considering the many problems and proposals that come before the Council.

1959-1960 was an especially active year. The Council's major purchases included a new amplifying system for the gymnasium and footlights for the auditorium stage. Among other activities, they sponsored speech, debate and literary activities, the cheerleaders, the magazine sale, a school sweatshirt and pennant sale, the all school play, Homecoming festivities, the school polio drive, the Model United Nations delegation, the "Sem", the Y.H.S. Yearbook, assembly programs, the Christmas Dance, the Sponge Dance and dime dances.

Meetings were held Tuesdays, seventh hour.

Whats' this? Schroeder and Lucy at Ypsi High? Its Arthur Maday and Maggie Steele as they participated in a magazine sale skit. They urged each student to sell several magazines to help the school earn more than just "peanuts".

The sale of "Ypsilanti Braves" sweatshirts was a major Council project this year. Student Council representative Mickey Greer helped David Gilliam "try one on for size".

Seniors Put Their "Best Foot

Confusion reigned at good ol' Winsocki Prep around prom time, for Bud Hooper found himself with two dates; one with his hometown girl and another with the vivacious moviestar, Gale Joy. Complications arising from this situation were settled in a most unexpected and hilarious manner.

The audience responded with guffaws and giggles, thus complimenting the Seniors on an effective presentation of John Cecil Holm's comedy "Best Foot Forward."

David Joslyn applied the magic touch which transformed Ann Therkelsen into her role as the "Blind Date" in the Senior Play "Best Foot Forward."

Under the direction of Miss Iseminger, students presented two major productions this year: The all School Play, "Around the World in Eighty Days," and the Senior Play, "Best Foot Forward." Through these plays, students gained valuable experience in dramatics and those who devoted 100 hours were awarded memberships in the National Thespian Society. To become a member, it is not necessary to act. A student contributing the required hours to play production in any way (scenery, make-up, publicity, lighting, etc.) is eligible for membership.

President, Joan Finley; vice-president, Rosalie Berry; secretary, Olivia Sample; and treasurer, Jerry Anderson, conducted two initiations-one in February and one in May. After the formal initiation, entertainment was provided by the initiates themselves, as they presented hilarious skits in order to prove themselves truly worthy of membership.

An unusually large number of students entered the speech contests this year providing keen competition. The winners pictured on this page were victorious only after the careful judging of teachers from the English Department.

First and second place winners were awarded forensic keys and competed in the district contest capturing six out of ten possible places. In addition, first and second place holders of declamation, interpretive reading and humorous reading titles entertained the student body with their oratory in a speech department assembly.

First places in district went to Francis Frei (declamation), and Jim Ardis (oration).

Linda Estey (declamation), Bob Arvin (interpretive), David Gunn (humorous), and Norman Luebke (extemporaneous) earned second place honors.

"The Federal government should substantially increase it's regulation of labor unions" was the controversial resolution debated by Y. H. S. and other school students throughout Michigan. This activity calls for a lot of time and concentrated study. Debaters delved into the history of labor unions, became familiar with present laws regulating them and kept informed on current labor news which frequently made the headlines.

The debaters under the direction of Mrs. Horst completed the season with a four won and four lost record against some stiff competition. Because of the large membership, every member could not participate in a school debate but everyone was given the opportunity to participate in at least one practice debate.

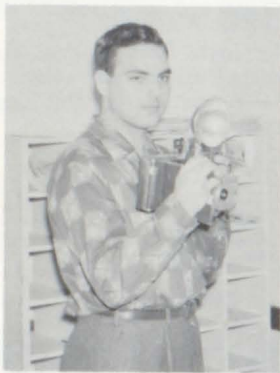

Jim Ardis, Bob Arvin, Pat Eaglin, Bill Daniel, Jackie Julien, Margaret Steele, David Gunn, Bonnie Samar, Lois Allen and Merry Montonye were awarded forensic keys for their participation in school debates.

JCL's Studied Greek And Roman Cultures

All present and past students of Latin in high schools, both junior and senior, are eligible to membership in the Junior Classical League. Ypsilanti High School JCL is a chapter of the National and Michigan Junior Classical Leagues. Each student becomes a life member and receives the national pin upon payment of the initial fee.

Michigan has a state convention each year in April. There is also a national convention which will be held in New Mexico in 1960. The National Junior Classical League president for 1958-59 was a member of Y.H.S. JCL and the local chapter helped entertain the national convention on University of Michigan campus in August, 1959.

JCL held meetings this year the last Tuesday of the calendar month. Programs consisted of Latin songs, games, dramatic skits and reports. The club sponsored a Dime Dance and had a potluck supper.

JCL members enjoyed refreshments following the installation ceremonies of the new East Junior High Chapter.

Service projects for the year were a Thanksgiving basket and children's Christmas toys for community welfare.

Experience Is The Best Teacher

Mrs. Mooar and the officers Julie Adams president, Pat Hays, Vice-President; Sandy Rutherford, Secretary; Florence Willoughby, Treasurer; Royce Disbrow and Nancy Barnum; Historians, arranged the numerous and varied club activities for the 59-60 school year. Cadet teaching was perhaps the most popular activity for it gave club members the opportunity to help teach elementary and junior high students at different schools in the Ypsilanti area.

F.T.A. meetings gave members a clearer idea of teaching as a career by including a panel discussion with student teachers as panel members and instructive movies. Through the year Y.H.S. students enjoyed a Valentine dance and a pep assembly both sponsored by the Future Teachers Club.

Through its activities, the club has retained its reputation for being one of the most rewarding and worthwhile organizations at Y.H.S.

Here Julie Adams instructs some East Junior High Students. Cadet teaching provided F.T.A. members with an illuminating concept of teaching as a career.

The weekly programs were varied and included speakers, panel discussions quiz programs and study groups. Every year a club picnic is held and often some members are counselors at the Bible Club Summer Camp. The YHS Bible Club is a part of the International Bible Club movement. It is inter-denominational and is open to all students.

Bible Club members enjoyed the visits of several speakers including the gentleman pictured above who related some of his interesting experiences in Hong Kong China.

Delegates to MUNA Represented Argentina

Disarmament, birth control, disputes in Tibet, Hungary and Algeria were problems discussed by representatives to the Model United Nations Assembly at Hillsdale, Michigan. The YHS delegation this year represented Argentina, one of our South American friends. They studied extensively problems of Argentina and at the assembly they tried to vote just as Argentina would vote at the real United Nations. In addition, our delegates were co-sponsors of two disarmament resolutions that were both adopted by the General Assembly.

Students attending the Model United Nations Assembly returned with increased understanding of the functions and organization of the United Nations.

versity of Michigan Radio Telescope, and the Flint Junior College Planetarium.

Meetings for the most part consisted of general scientific discussions and projects. These were carried on by both group and individuals.

Through the Jets Club, students with special scientific interests were given the opportunity to explore further the vast field of science.

Any boy having earned a YHS varsity letter is eligible for membership.

Volleyball, basketball, and swimming were enthusiastically pursued by varsity club and G.A.C. members at a Varsity Club sponsored fun night. After strenuous athletic activity, students were still in the mood for dancing.

Y. H. S. Sports

Ypsilanti High School students are enthusiastic in their interest and support of our athletic teams. It is of course not always possible to turn out championship teams in all events. Never-the-less some Y.H.S. teams are always on top. During the present year the Wrestling team and the Cross Country team were among the best in the state.

The 1959 Campaign of the Ypsilanti Braves, while not successful in the line of victories, was in the development of teamwork. Many things hampered the bid of our new head coach, Mr. Bob Moffett, in his bid for a winning season. The injury jinks was ever present throughout the season and for the most part involved key players. Despite this, the hard work of the team throughout the season paid off in the final game with a decisive 32-0 victory over Melvindale. This win climaxed a 17 game losing streak for the braves and should be a good starting point for the 1960 campaign. Special thanks goes to Mr. Miller and Mr. Nicholas, assistant coaches for this season along with Mr. Elliot who gave time to help the team as the line coach.

The Reserve team of 1959 had a season similar to that of the varsity team. Despite this the team worked hard throughout the year in an attempt to build good varsity prospects for next year. Most of the players showed improvement as the season progressed and many showed varsity ability. The little braves did not stand out in the winning column, but did carry out their responsibility of training future prospects for our following campaigns.

The team worked hard throughout the season and all of this hard work paid off in the final game. Here, the little braves turned back the Melvindale team by a demanding 22-0 victory. The reserves were fortunate this season in having such fine coaching on the part of Carl Krieger and Tom Sibert. Many thanks goes to them for their time and effort spent.

The 1959 campaign for the Ypsi High Harriers proved to be very successful under the leadership of head coach, Mr. Lee, and captain, Pat Mc Donald. The Harriers were undefeated in duel meet competition with a string of nine successive victories this season. Along with the duel meets, the Braves were entered in the Albion College Invitational which included twenty schools. The Braves finished on top with a comfortable margin of 65 points ahead of the third place team, Birmingham. In the regionals Ypsi again finished on top, this time with a margin of 48 points over Dearborn. In the state meet the Braves' winning streak was stopped, but they still brought home a very honorable third place. The very outstanding running of Levi Hardwick was evident as he set three different course records this season. The success of this years team can be credited to a well balanced group of determined, hard workers.

1960 VARSITY BASKETBALL

The 1959-60 campaign of the Ypsilanti Braves while not successful in the winning column did show improvements in ball handling and teamwork. Many of the games were close and were decided in the lost seconds, but the Braves could not seem to get the ball through the hoop when they needed it. The latter part of the season the Braves proved themselves a fine ball club by defeating a very strong Edsel Ford team.

The team this year was under the leadership of a new coach, Mr. Bob Miller, who did a fine job in coaching the team.

Little Braves Learn Tricks of the Trade

The 1959-60 campaign of the little braves was not successful in the winning column, but was important because of the experience and game knowledge acquired by these future varsity prospects.

The Reserve Team this year was headed by a new coach, Mr. Nicholas. Coach Nicholas, along with the members of the team worked very hard throughout the season to build a better and stronger team. This was evident because of the improvements shown by the team as the season progressed. It seemed that in each game

the little braves were trying harder and harder to win. This was displayed by their improved scoring and ball handling. In the latter part of the season the margins of the opposition soon found out that the points they wanted they were going to have to work for.

The members of this year's reserve team have learned and have been taught very helpful information which should be of great value to them when they make their bid for a varsity position.

The wrestlers of the 1959-60 campaign have just completed their schedule of dual meets and have finished undefeated. This is the first undefeated season in the history of the Ypsilanti High Wrestling Team. Added to this was a first place finish in the Regional Tournament and also the runner-up spot in out bid for the State Championship. This season was especially successful for Tom Hill, Ypsi's only state champ, in the 165 lbs. class.

The track team this year consisted of many returning lettermen and showed good promise of another successful season. The Braves displayed their power to each opponent and finished on top in every duel meet except one. It was expected that the team would keep up this pace throughout the remainder of the season. The Braves, at present, are undefeated in league competition and they are assured of one of the top spots in the league. This season the team was under the leadership of a new head coach, Carl Krieger, who is a very fine trackman himself and had worked very hard in building a very fine squad.

The varsity team this season consisted of 14 returning lettermen and showed promise of being a very strong team. This was evident in their first nine games when the Braves were undefeated in all nine starts. This year, it was predicted that this team would complete the season with one of the best records. The success of this year's team can be contributed to the spirit and determination displayed by the members; also to the fine coaching on the part of their new head coach, Bob Moffett.

Reserve Players Eager For Chance

First row - Chuck Ash, Rudy Anderson, Ron Seamens, Tino Lambros, Bill Smith, Bruce Fulford, Victor Zerbi.

Coach Nicholas approves of the showing made by the team in his first year as reserve coach.

The reserve team under the leadership of a new coach, Mr. Nicholas, is anticipating a good season. The little braves have started their campaign victoriously with wins over Wayne and Romulus. The team is working very hard with the main purpose in mind of building future varsity ball players. The season schedule for this year will consist of eight ball games, which will give the players a chance to show their desire and improvements necessary for a good player. The good start by the little braves indicates that this will probably be one of the best of seasons.

Hip, Hip, Hi, Ho! Let's Fight, Let's Go!!

The Ypsilanti Varsity Cheerleaders came up with "Give Me the Beat" which was the tune to their beatnick cheer. The girls with their sun glasses, performed this cheer at one of the later basketball games, and was a success.

to an award.

The sports played are: Volleyball, basketball, swimming, badminton, and softball. These games provide lively inter-class competition. So girls, if you are looking for fun and recreation, the Girls Athletic Club is where you will find it.

Volleyball Competition Was Keen

Still occupying second place, were the Seniors with one win and one loss. The only competition they had were the Sophomores.

Dropping from first to third, were the Juniors with no wins and two losses. "ALL FOR ONE AND ONE FOR ALL," seemed to be their motto!

L. to R. - Mary Lu Keller, Claudia Walczak, Mary Everard.

After two weeks of practice in badminton, these girls became very efficient at hitting the "birdie." Although there was no class competition, they had fun playing on teams within their class.
